

Penn Hills Library Presents

# BEYOND CANCER: The Powerful Effect of Plant-Based Eating

Join plant-based nutritionist Sally Lipsky for a discussion about how a plant-based diet can optimize cancer survival and long-term health.

## April 12, 6:30-8 PM

Sally Lipsky, a late-stage cancer survivor and author of *Beyond Cancer: The Powerful Effect of Plant-Based Eating*, has a PhD in education and decades of teaching experience. She has spent years researching how to survive and thrive with cancer.

Copies of her book will be available for purchase at the event.
